Our Children are our top priority, and we all want the best for them. We all know children learn more and have better lives when parents, school staff, students, and the community work together. PTSA can bring these groups together to collaborate on programs and activities that benefit all of our students.

PTSA provides:

- Practical ideas for programs and activities that will benefit all students
- An opportunity to voice opinions and concerns on behalf of our children
- Leadership development to promote individual development and strengthen skills
- Timely information from local, state, and federal levels and guidance on how we can advocate and influence legislators on behalf of children, families, and schools
- Collective strength with those who share concerns and seek solutions

IF you are interested in joining our PTSA, please complete the form below.
